Remarks

1.75-acre horse property with UTILITIES ACTIVE. There was previously a manufactured home on the lot so there is a septic system in place, a water meter with a PRIVATE WATER COMPANY (no hassle of shared wells), and an electrical meter with lines underground (no overhead poles on the property). There's also no HOA, giving you lots of flexibility on how you live. Corner lot with mountain views and nighttime starry skies, ready for you to build your dream home, or hook up your RV and move today! Owner/Agent
